

LIVE FEEDS AND WEATHER

WINNISQUAM MARINE

PLEASE ENJOY THE REAL TIME WEATHER FROM WINNISQUAM MARINE'S NEW WEATHER STATION!

Our Davis Vantage Vue is streaming live weather data to you and is updated every minute. The weather station is located on top of our main sales building in Belmont, NH. 03220. The "2nd Temp" graph above is the lake temperature taken two feet below the surface. The water temperature sensor is located right by the flagpole at our gas dock. Please check it out and send your comments to ed@winnisquammarine.com. AND here's the link to the State of NH Dam Bureau that has a Lake Winnisquam lake level indicator with a satellite uplink every hour. Located in the shed, with the funny antennae, opposite the bay from us by The Winnisquam Market and Deli.
